

ARTISTS SUPPORTING THE ARTS

Celebrating all the board members and volunteers that make this gallery possible through their art and their support.

This is a call to artists who either have served on our board of directors or volunteered at Art Adventure Gallery since we first opened our doors in 1986. This show will be on display for the months of January and February. Applications will be available at the gallery or can be downloaded from our website. <https://artadventuregallery.com/>

While art's monetary worth can be significant, its true value lies in its creation. The emotions, skills, and creativity poured into each piece are what makes it invaluable. Furthermore, art serves as a cultural ambassador, educating us about diverse lifestyles and histories. Art is not just an expression of emotion but also a medium for communicating ideas. Through art, we can chronicle history, embody societal values, and comment on political or social events.

Work can be dropped off any time during business hours along with the application by December 21st. Artists may submit up to 5 pieces in any medium. Two dimensional work should be framed, wired, and ready for hanging. The opening reception will be Thursday January 9th from 5:30-7:00pm.
