

REGISTRATION

Art Adventure Gallery in Madras will be having a paint-out at Trout Creek campground September 10th through 12th this year led by well known NW artist, Erik Sandgren. Participants will paint or draw the landscape together with informal demonstration, discussion and review in the late afternoons. There are no charges or fees for this event. Participants are asked to bring their own materials - any medium, their own water and sustenance, and will need to reserve a campsite if they plan to spend the night, though last year it was first come, first served. <https://www.blm.gov/visit/trout-creek-campground> or (541) 416-6700. All ages and skill levels are welcome.

Please fill out the registration and send it to coraleepopp@mac.com
